REMARKS:

In the attached folder is a letter prepared for your signature to Admiral de Poix primarily acknowledging receipt of a Defense Intelligence Estimates Memorandum he sent us last month via a personal note to you. This response is pro forma. Some of my colleagues, including Howie Stoertz, feel it is unnecessary. I doubt if much umbrage would be taken were you not to reply but my own feeling is that everyone's bureaucratic records should indicate that we answer our mail.
